TAP MAGIC EP-XTRA CUTTING FLUID

The GOLD standard in cutting fluids, **Tap Magic EP-Xtra** has helped professional metalworkers save money and achieve micro-fine finishes for decades.

Benefits include:

- Outstanding Tool Life (including Coated Tooling)
- Precision Finish
- Works extremely well on HSS and AHSS alloys
- Best Cost/Performance ratio on the market

The 'Xtra' in **Tap Magic EP-Xtra** is a synergistic ingredient that works with the extreme pressure (EP) agent to create the ideal lubrication that protects tooling while minimizing weldment or galling for a clean cut.

Metal working industries have trusted the **Tap Magic** name since 1953 and used **EP-Xtra** as the single most important lubricant in the shop or field.

PREMIUM LINE OF ENGINEERED LUBRICANTS

USE

Tap Magic EP-Xtra is scientifically engineered to work on all metals and in any cutting application.

- Steel: Mild, Stainless, HSS, AHSS...
- Aluminum
- Titanium
- Nickel
- Cast Iron
- Brass
- Inconel

Don't come up short on giving your customer perfect parts every time; complete the fabrication puzzle with Tap Magic EP-Xtra!
